Hope for Vision's New York Community of Hope hosted a cocktail party and silent auction on May 14th in New York City.

With nearly 300 guests in attendance, the party raised over \$300,000 for research to cure blinding disease. Sponsored by Phoenix Partners Group, guests enjoyed an open bar by Skyy Spirits, delectable hors d'oeuvres featuring selections from the Four Seasons Restaurant and Bellavita, live Jazz by the Aaron Goldberg Trio, and a fabulous silent auction.
